SDGs LAC Easy Access

Expert and accessible analysis of SDG reports

Since the global adoption of the Sustainable Development Goals (SDGs), Cepei is the only Global South think tank systematically monitoring the progress of the 2030 Agenda execution in Latin America and the Caribbean.

The SDG LAC Easy Access is a gateway into Cepei's VNR and other reports analysis created to follow the 2030 Agenda at the national and local levels, including comparative reports across the region with statistics, recommendations, and best practices. It promotes transparency and accountability for every development stakeholder, and supports LAC countries production of higher-quality reports.

¿Why Use SDGs LAC Easy Access?

A wealth of information about our progress

Our catalog allows organized and straightforward access to a trove of SDG-related reports written by different stakeholders, including VNRs, VLRs, and Parallel Reports, among others.

¿Did you know...?

Cepei is the only one-stop platform available for multi stakeholders reports tracking the Latin American and Caribbean progress in the 2030 Agenda, making this a one-of-a-kind tool.

SDGs LAC Easy Access:

- Allows users to search and filter information by criteria including report type, year produced, country or comparative, both in English and Spanish.
- Includes the full range and formats of Cepei's research and analysis conducted for each VNR. Cepei's analysis includes insights and policy recommendations for governments on actionable strategies in order to improve their SDGs reporting exercises.
- Provides Cepei's comparative analysis of LAC countries' VNRs.
- Presents recommendations and best practices in VNR reporting.

Cepei connects its programs to enrich your research and practice:

SDGS LAC POSITION TRACKER showcases the countries positions on the SDGs in the VNRs submitted to the HLPF and in their speeches at the United Nations General Assembly.

DATA REPÚBLICA CONECTA: a catalog of data sources to track Latin American and Caribbean SDGs implementation process.
